Pastor Jimmy Frazier

It is my pleasure and honor to be able to recommend Bryan and Anna to represent your church in the country of Argentina. I know no more faithful, eager and dedicated couple. More than anything else, they desire to serve the Lord. Both Bryan and Anna are an integral part of our ministry here at the Northside Baptist Church. Bryan has taught Sunday School, Jr. Church, led congregational singing and is over our outreach soulwinning program. Anna has been faithful teaching Sunday School and been a great blessing in our music program. I cannot recommend them enough as servants of the Lord in Argentina. We will definitely miss them.

Pastor Joseph Grab

I wholeheartedly recommend Bryan and Anna Grace Frazier as missionaries. I have known Bryan and his family since about 2009 observing Bryan assist his pastor in every way he was able, whether playing an instrument or helping at church and all special activities. He also helped with church construction and remodeling, and also preparation for special events. Bryan has outstanding character that is above reproach. He cheerfully submitted to his pastor's leading on when he should start deputation.

Anna Grace has done much in the ministry both at our church and her present church. She planned all five of our family camps, played the piano for all our church (choir, congregational, and specials) and started and operated a van route. She continues to play the piano at her church.

Bryan is teachable and has even been willing to seek advice from me even though his father is also, his pastor. I continue to see spiritual growth in their lives, and joy as they serve in whatever capacity God enables them in their local church under the leadership of their pastor. Please prayerfully consider if the Lord would have you partner with the Frazier's and Northside Baptist Church in fulfilling the Greatest Commission and the Lord's will.

Dr. Russel Blanchard, Missionary to Australia

I have known both Bryan and Anna Grace for most of their lives. I've watched them grow up in the Lord and am so pleased God has brought them together as man and wife. I've spoken to Bryan many times about his call to Argentina and believe his calling to be genuine. I recommend them wholeheartedly to your mission program and ask you to pray for them.
