

# TESTIMONY

---

## Hi, I'm Bryan

I received Christ when I was twelve years old at Jr. camp. The pastor there was preaching on Matthew 7:23. I was convicted, went forward, repented of my sins and asked Christ into my heart. I had made a profession of faith at age five but never could remember why or how I came to the decision. I was called to the mission field when I was sixteen. The Lord laid it on my heart at a mission's conference, the next week surrendered to God's calling.

## Hi I'm Anna Grace

When I was 7 years old, after hearing my grandfather preach a message on hell, I realized I was a sinner and if I did not repent and trust Christ as my Savior, I would spend eternity in hell. I talked to my mom that night after church but did not get everything settled until the next morning. My mother went through several verses with me from the Bible and I trusted Christ as my Savior that Thursday morning.
